

3rd Clinical Care Classification (CCC) User Meeting
December 7-8, 2017 | HCA Corporate Headquarters
Nashville, Tennessee

Adoption, Implementation, and Outcomes

This forum is an excellent opportunity for the CCC User community to share issues and strategies concerning the topics of adoption, implementation and outcomes.

Keynote Speaker

Emily B. Barey, MSN, RN,
Vice President, Nursing, Epic

Presentation Title:

*Clinical Care Classification (CCC)
and The “meaningful use” of the EHR for Nursing:
Today & Tomorrow*

User Meeting Objectives:

- Define strategies for incorporating CCC into clinical documentation systems.
- Discuss the impact of standard nursing terminology on nursing.
- Describe CCC as an enabler to Big Data and other analytics.

**Interactive demonstrations of CCC Use in multiple
EHR platforms: Meditech and Epic**

Registration Fee \$150.00
