

HIMSS TENNESSEE CHAPTER

A Message from Our New Chapter President

On July 1, TN HIMSS officially welcomed Brad Morrow as Chapter President. To kick off this new leadership term, Brad shared a message about what's on the horizon for our organization.

You can expect a great line-up of educational and networking events this fall and into 2023 as we continue creating opportunities for in-person connection.

Our HIT Workforce Accelerator fall semester recently began with 19 students ready to grow their healthcare expertise. And, we're already underway with planning Summit23 next spring.

Be on the lookout for more information on how you can participate in chapter events and [read the message from Brad](#).

Join Us for the Fall Executive Dinner Series

We are excited to announce a fall dinner series featuring some of the top healthcare executives from across the state. Mark your calendar for these upcoming dinner discussions.

Thursday, September 22: Robert Cook, CIO, Amsurg

Thursday, October 13: Jessa Kelley, VP, Strategy & Innovation | Nicole Tremblett, VP, Integrated Technology Group, HCA Healthcare

Monday, November 14: Peter Embi, Chair of Bioinformatics, Vanderbilt University Medical Center

Wednesday, December 14: Keith Perry, CIO, St. Jude's Children's Hospital

Upcoming Events

September 22: Executive Dinner

Join us for a conversation about the quadruple aim of healthcare and learn how Amsurg is thinking differently to meet it.

Oak Steakhouse | Thursday, September 22 at 6:00 CT | [Buy tickets](#)

October 13: Executive Dinner

Hear an in-depth discussion from two HCA executives about how corporate strategy and IT work together in healthcare.

Kayne Prime | Thursday, October 13 at 6:00 CT | [Buy tickets](#)

Chapter News

Board Meeting Recap

In August, the TN HIMSS Board of Directors held its first meeting of the fiscal year, hosted by Rob Whitley at the Vaco offices. We strategized around chapter priorities and garnering support from the national organization. It was a successful meeting that put us on the path for a great year. [Read more](#).

New Annual Sponsors

Sponsor Spotlight

Sendero

SENDERO

What does Sendero offer the healthcare industry and what is its mission?

At Sendero, we deliver impact and help our clients unleash their potential. In the healthcare space, that means starting with a holistic, data-driven approach to assessing an organization's facilities, capabilities, and performance. From there, we focus on launching practical, effective solutions that enable those organizations to measurably impact patient, business, and clinical outcomes.

What do you hope healthcare organizations gain from your sponsorship?

Sendero is a full-service management consulting firm with deep experience in the healthcare industry. At the same time, we know that everything about your business is unique and that the challenges you're facing may require custom approaches. We hope healthcare organizations know they have a partner in Sendero when they're ready to explore and implement those impactful solutions.

What are the biggest tech challenges for healthcare organizations today?

The best thing about technology is that there are new developments and products every day; it's also the biggest challenge. Healthcare organizations need to make strategic decisions about which technologies are right for them, whether that means adopting a new software or tool, consolidating systems, or making improvements to existing platforms.

What event are you most looking forward to this year?

We are excited to attend the holiday reception later this year. We look forward to seeing you all there!
