

# HIMSS TENNESSEE CHAPTER

## A One-of-a-Kind Event You Don't Want to Miss

Join TN HIMSS and our partner, Slalom Consulting, in building innovative generative AI solutions to solve healthcare's biggest challenges for provider organizations at the first [TN HIMSS Hackathon](#).

Whether you're a seasoned coder, a healthcare expert, or someone eager to make a difference, this hackathon is your chance to contribute to real change in the healthcare provider landscape.

### ⚡ FAST FACTS ⚡

- The event runs October 3 – November 15, with 4 weeks of solution development.
- The opening session will feature a deep dive into AI insights from our industry-leading AI panel.

- Judging and awards will be spread across preliminary rounds with an esteemed panel of CIO and CTO judges from major healthcare institutions
- **Team registrations are due by September 29.**
