

HIMSS TENNESSEE CHAPTER

HIT Workforce Accelerator

We know it's *still* summer, but fall will be here before we know it. And what better time to hit the books than back-to-school season?

We have the perfect opportunity for you if you're interested in leveling up your healthcare information technology knowledge this autumn.

The HIT Workforce Accelerator Program is for healthcare professionals of *all* levels and backgrounds, and in just 13 weeks, it will give you a comprehensive overview of HIT.

The Fall 2023 Class Session begins September 11, 2023. All classes for this session are virtual and take place Mondays from 5:30 to 8:30 p.m. CST.

TN HIMSS Announces President Elect and Six New Board of Directors

The Tennessee Chapter of HIMSS has announced the election of Justin Mooneyhan, **AMSURG** Sr. Director of Strategy, Solutions and Innovations, as President Elect.

"We are excited to elect Justin as the next President of the Tennessee Chapter of HIMSS," said current Tennessee HIMSS Chapter President Brad Morrow of Pearl Health.

He continued: "As an organization that strives to bring innovation and insight to the Tennessee healthcare community, the Board of Directors is confident that his expertise and vision will greatly contribute to our collective mission."

Justin is a long-standing chapter Board member. His deep health tech background and ability to understand the complex landscape of healthcare IT, will provide the continued leadership to move the chapter forward as healthcare technology continues to transform the industry."

Chapter News

Fun in the Sun with HIT's Finest

The TN HIMSS 3rd Annual Golf Tournament was a resounding success, featuring a fantastic day filled with beautiful weather and the HIT community's best and brightest!

With over 120 participants, the event sold out, highlighting its popularity and appeal. The support from 16 incredible sponsors added to the event's prestige and ensured a memorable experience for everyone involved.

Not only did the golfers enjoy a round of golf, but they also had the opportunity to engage in networking opportunities, savor delightful cocktails, and even experience the thrill of the golf cannon. **Mark your calendars for June 7, 2024, as this event is not to be missed!**

Calling All Sponsors

TN HIMSS' Annual Sponsorship packages are now available for the 2023-2024 fiscal year!

Becoming an Annual Sponsor offers numerous advantages, including yearlong branding, exclusive benefits and discounts, access to annual sponsor-only events, first right of refusal on all events and sponsorships and more.

By seizing this opportunity, you can establish your brand, forge invaluable connections, and position yourself as a leading organization in the healthcare industry.

Our events provide a unique platform for networking with other industry leaders and key decision-makers, fostering valuable connections and potential business collaborations. The intimate nature of these gatherings allows for meaningful interactions and discussions, leading to enhanced opportunities for growth and success. **Contact Tiffany Madigan** to learn more.

HIMSS Recommends Incentives for Hospital Participation in Quality Measure Testing in CMS IPPS Proposed Rule Response

CMS recently released CMS 1785-P, the Inpatient Prospective Payment System 2024 proposed rule. It includes proposals to introduce three new electronic clinical quality measures (eCQMs) to the CMS Inpatient Quality Reporting Program. **Read more.**

HIMSS23 Europe Forges Paths to Improve Care for All

Artificial intelligence, climate change, the workforce crisis, and their impact on healthcare were among the top issues for nearly 2,000 healthcare professionals from 70 countries at the 2023 HIMSS European Health Conference & Exhibition. **Read more.**

HIMSS Calls for Modest Implementation Deadline Delay for New Requirement in ONC Certification Proposed Rule

HIMSS recommended a modest delay in the implementing and reporting timeline for the sweeping changes proposed by the Office of the National Coordinator's (ONC) Health Information Technology (IT) Certification Program. **Read more.**
